

# Engineering a Greener Tomorrow... Today.

*Electrical • HVAC • Plumbing • Technology • Lighting Design • Commissioning  
LEED Consulting • Energy Audits • Energy Modeling • Sustainable Design*

Metro CD Engineering is passionate about energy efficient, healthful and sustainable design.

We strive to incorporate environmentally responsible design into all our projects. Our office participates in the City of Columbus GreenSpot sustainable practices program. The firm is a member of the U.S. Green Building Council and is very active in the Central Ohio Chapter.

Metro CD Engineering's diverse engineering experiences and certifications provide unique talent and resources dedicated to a greener tomorrow.
